Restrictions on Marketing

Marketing to citizens or residents of the USA is prohibited due to the inability to comply with the registration obligation in that country for assets sold to its citizens.

Subscription and Redemption Procedure

Orders placed by the participant after 3:00 p.m. or on a non-business day will be processed together with those placed on the next business day. Distributors may set different and earlier cut-off times than those generally established by the Management Company, and the participant must be informed accordingly by the distributor.

Explanatory Notes

The management fee of the fund indicated on the first page of this document is shared between the Management Company and the Distributor, the latter as distribution fees, in accordance with the agreements established between both parties.

Taxation

The sale of shares will not be taxed when the amount obtained is transferred to another investment fund marketed in Spain. Only resident individuals will benefit from such transfers.

Individuals: A withholding tax on capital gains will be applied according to current legal regulations. In distribution funds, without redemption of shares, dividends received are declared in the savings tax base. For non-resident individuals, taxation will depend on the place of residence and the existence of an information exchange agreement, according to current tax regulations.

Legal entities: Income obtained upon redemption is included in the corporate tax base. In distribution funds, without redemption of shares, income will be included in the corporate tax base.

The taxation of this product will depend on each client's tax regime as well as their individual circumstances and may vary in the future.

Customer Information before Contracting

The customer will receive: a simplified brochure or key investor information document and the latest semi-annual report.

Customer Information after Contracting

As long as they are a participant, the customer will receive by regular mail or, upon request, electronically: a statement of position for all their funds (once a month if transactions have been made or at year-end if not), semi-annual report, annual report, and quarterly reports (upon express request). The customer may expressly waive the receipt of periodic information.

Product Instrumentation

Each time a transaction is made, the customer must sign the corresponding order form. This is the supporting document for the purchase or sale order of shares or units given by the holder to the Distributor. In the case of purchases made electronically, entering the required password to execute the transaction will be considered as an order from the holder to the Distributor for all purposes. The customer will subsequently receive a receipt with the details of the order execution.
